**AUDIO PLAYBACK VIA AUX 3.5mm PORT:**  
 Connect the 3.5mm audio cable to your audio source and headphones. This automatically switches headphones to "Passive mode" where power is not drawn from the in-built batteries of the headphones. Please turn off headphones before listening via AUX 3.5mm Audio Cable.

### Connecting the Product

1. Turn on Bluetooth (BT) on your mobile device.
2. Turn on Headphones. (Headphones will enter BT pairing mode)
3. Search and connect to " EB-X850ZANC" from your mobile device

EB-X850ZANC will automatically connect to the last paired device if device is on and within connection range.

### Multi-connect (Up to 2 devices/audio sources)

EB-X850ZANC can connect to up to 2 mobile devices at the same time.

To pair with two (2) devices:

1. Turn on Bluetooth (BT) on your mobile device A.
2. Turn on Headphones. (Headphones will enter BT pairing mode)
3. Search and connect to "EB-X850ZANC" from mobile device A.
4. Turn off BT on mobile device A, and repeat the above for mobile device B.
5. Turn on Mobile device A again and the headphones will pair to both devices automatically.

### Call Control while connected to 2 devices.

It will automatically prioritize incoming calls/ notifications and audio playback (Pause music on one device, and play music on the other)

### Battery & Charging

Charging: \*Red Indicator Light\*  
 Full Charge: \*Extinguished Indicator Light\*

Approximate charging time: 3 Hours

EB-X850ZANC will turn off automatically after 5 minutes of disconnection/inactivity. Please charge the headphones every six (6) months.
